

FM ADA KIT 1

LARGE-AREA VALUE KIT

[LARGE-AREA ACCESSIBILITY]

The Americans with Disabilities Act (ADA) requires public facilities to provide equal access to people with disabilities, including those who are hard-of-hearing. This ADA compliance kit from Williams Sound is a convenient and economical solution for satisfying these requirements. (It also meets new 2010 ADA access requirements.)

The Williams Sound FM ADA Kit 1 provides everything you need to accommodate individuals for hearing accessibility in large venues such as auditoriums, theaters, conferences and houses of worship. The PPA T27 transmitter broadcasts a speakers voice, music program or audio source wirelessly up to 1000 feet to a listening audience. Covered by a Lifetime PLUS Limited Warranty, 90 Days on accessories. (90 days on accessories).
