VIBRATING ALARM CLOCK

[A TRAVEL COMPANION YOU CAN DEPEND ON]

NEW Compact and convenient, the travelTim battery-powered, vibrating alarm clock will wake you with or without an audible alarm. The clock offers three alarm options: audible alarm/bright strobe light/vibrating alarm, audible alarm/bright strobe light or vibrating alarm alone. Each option offers an industry-leading alarm duration of four minutes.

The audible alarm also features an escalating volume. Avoid disturbing others. Simply set the alarm, then place it under your pillow or between the bed frame and mattress. Sleep soundly, knowing you will wake up on time.
